50m Breaststroke	04/02/24	8	417		

Classified Para Swimmers may entry the main events below providing they hold an official classification and have a time on British Ranking for the event, that is in accordance with the meet conditions. Para Swimmers are seeded on entry time integrated with able bodied swimmers. Entry times do not have to meet the qualifying time.

Para swimmers entering these events are not eligible to enter the equivalent disability specific event in the table above. Please Indicate which events to enter and entry times will be downloaded by the meet coordinator from British Rankings. Please refer to the meet Schedule on the website for the day of swim and event number.
